2013 COUPLE OF THE YEAR:

Director's Corner

Let's start 2014 off with a bang!

We have several activities planned for January beginning with our New Years Day ride. We went to Unicoi Lodge for lunch. The ride up was great, we had six motorcycles going up and when we arrived we were met by several others. All total we enjoyed our New Year's Day lunch with 13 friends.

Next on the schedule will be our regular monthly chapter meeting on Monday, January 13th at Loco's Grill & Pub. Let's start the year off great with you **ALL** being present for our first meeting in 2014.

Chilly Willy ride will January 18th, 2014. We will be going back to Buckner's Family Restaurant, located at 1168 Bucksnot Road in Jackson, GA 30233. Buckner's has great food; it is country cooking and served family style. Lunch will be \$13.25 per person including Tax and Gratuity (**CASH ONLY/ NO CREDIT CARDS**).

Happy New Year

Buckner's will start serving lunch at 10:45am and after lunch we will meet just outside the conference building where there will be drawings for door prizes, a few announcements will be made and Chilly Willy will be awarded to the largest Chapter in attendance. Please come and have lunch with us.

There is a lot more to come so please start planning NOW to make it a point to join in on the rides and events for the chapter. We all need to work together to make our chapter great. Let's start by making our future as a chapter fun and memorable. More optimism and less negativity is the key to make it work.

Adventures of Dumbo

Wow 2014 is already here and I am so looking forward to all our adventures and rides. I can hardly wait to see who I get to go visit next. I have spent a lot of time with Mr. Ralph and Mrs. Debbie and they are great. We have traveled a lot of roads together.

We are going to something called Chilly Willy. Now that sounds strange to me and scary. I wonder if it is going to hurt?

I heard Mrs. Debbie tell Mr. Ralph we are going to have a party. I think it is in February and something about a super bowl. I hope that super bowl is filled with some peanuts. You know I love peanuts. Maybe I will see you at the party.

Rider Education

Hi folk's. Well its a new year, winter is here and our riding is somewhat limited by the weather. Now is a good time to do repairs and improvements that you put off during the riding season. Seasonal maintenance is a must if you want your bike to have a long useful life. Now would be a good time to read up on caring for you bike, your owners manual will cover the basics and the Internet has tons helpful articles and video's that will help you to improve your bike. One important bit of information for you, before your store your bike get a trickle charger for the battery. This will keep your battery charged and extend the life of the battery so you won't be buying a new one every year or so. these type chargers can be found at auto parts stores or you can order them on the Internet. You can find a article on motorcycle storage at. <http://www.totalmotorcycle.com/maintenance/motorcyclewintersto>
