**October 2014**

September was another busy month for Chapter T. We have continued our journeys out on the road. We have just returned from the Wings Over the Smokies Rally. We had 10 members of Chapter T along for a good time. We spent the majority of our time riding on the Blue Ridge Parkway. We were enjoying the views, the curves and oh yes..the food. We rode Friday and Saturday and it was awesome. The weather was great fall weather, not too hot with just a slight chill. We spent the evenings sitting by the pool drinking coffee, cokes, etc. and chatting. We will be planning a ride for our chapter to go up to the mountains for an overnight trip. I will let you know more about that soon.

Today is the first day of October and Chapter T is still on the roads. We have a lot of rides and events planned for this month so check out our calendar and make plans to join in on the fun.

Riding, friends, food, fellowship...do you miss it? Come on and join the rest of us, we are having a blast.

September's Hairy Leg Ride (Previously sent as email)

OMG what a great ride..one of the best to date. We left the RaceTrac at 9AM and headed out on our journey to Blairsville, led by Carl, who did a fantastic job as the ride leader. Our journey led us through Helen and along the Richard Russell highway. We stopped at our favorite Bar B Q joint and ate lunch. I also want to apologize to Sid Harris for the ride turning out to being longer than we planned because our adventures continued as we were headed home and Carl decided to take us to Suchess via Highway 180 to Highway 60. If you have never traveled these roads you don't know what you are missing. Lots of curves..and yes I was on my two wheels and not the trike. Did I mention It was the best ride ever?

We also stopped at the Dairy Queen and was treated to ice cream. What ride would be complete without ice cream? Well in my case I had a diet coke cause Debbie has me on a diet!!!

We had seven men to ride today and everyone was really pleased with the ride, so much so that they all want to do another ride next month. If you were not there...you missed out on a great ride and some fantastic fellowship. Plan on joining us next time.

Ralph

If you have a Goldwing 1500 or earlier model you have a timing belt instead of a timing chain. This belt needs to be replaced in order to avoid major engine damage. For those of you have the tools, time and skill this is a 1 day project. Most belts should be changed every 50,000 miles or after a bike has been sitting for several years. Even though the belt may look good, due to extremes of weather and oxidation the belt will deteriorate, become brittle and break without warning. If you take on this task this is also a good time to replace your radiator coolant since you will have to drain the radiator to change the timing belt. here is a step by step guide at <http://goldwingdocs.com/forum/viewtopic.php?f=14&t=9774>

CHAPTER T DINNER RIDE

Japanese Cuisine was on the menu at Inoko in Athens. The chapter had a great showing of members. We had a little bit of a wait but finally our table was ready. Now we never knew we would not have chairs. It was up onto a platform and then sliding down to the table and sitting on cushions. This was a little hard for some of our members old bones.

Dinner was worth the wait. Our chef put on a great show. A few of the members were watching their diets so those who were not were give their rice. I think I had enough rice on my plate to feed a small village in China (that is if the Chinese wanted Japanese rice). !

After our tummies were full we were ready to head home. The real challenge was to get up from the table. Remember we were on a platform close to the table. So as we unfolded our legs to stand with bones cracking, knees stiff from sit and tummies full we were ready to leave. All had a great evening and wonderful fellowship.

CHAPTER VISITATION AND PICNIC

Wow!!! What a beautiful morning for a ride. There was just a hint of fall in the air. Carl lead the group on a longer route up to Hiawassee. The ride through the back roads was up lifting. Now a ride would not be a Chapter T ride without the traditional U turn. Carl did not let us down. Just one U turn before we got to Helen Ga. We made a quick pit stop in Helen then on to Hiawassee.

At Chapter J's meeting we had two lucky winners. Carl won a door prize and Stu won one of the 50/25/25. We enjoyed all of the safety info Chapter J gave. We listened to all of the adventures. This Chapter really does a lot of riding. They have great participation and great times.

After the meeting the Chapter T members had lunch at a road side park on the lake. The park needed a little grooming but the view was beautiful. Everyone brought their own lunch but Donna Cohen brought some extra fried chicken and goodies. I didn't ride back with the group but as I was leaving Sid Cohen was getting ready to do a little fishing. What a great way to spend a Sept. day.

WOTS.

Surely you know what those letters stand for - right?

Well, for over eight years Charleen and I had wanted to go to WOTS. Ok, I'm through being rude, it is the abbreviation for Wings Over The Smokies - the North Carolina District Rally & Convention. Well, we finally made it and don't you know it - this was their first time back in Cherokee.

We had an awesome time, not only at the Rally but riding the Blue Ridge Parkway, visiting with friends we had made at other Rallies and events and going to the VENDORS!!!

But, I guess the best part was when got together with OUR Chapter folk down by the pool. You know, settings like that is where you get to know each other and that is one of the Fun parts of GWRRA.

Come and ride with us sometime, you might just have a good time.

CHAPTER T YARD SALE

The dark of morning, wind and dropping temperatures the Chapter T yard sale was on it's way. Mike and Ralph moved the trucks of sale items to the front of Mike and Linda Fields front yard. With the help of their truck lights we began setting up the yard sale. Charlene is a master yard seller. We started set up by 6:15AM and by 7:15am we had our first sale. As the sun came up so did the wind. Chapter T members were layering more and more coats trying to stay warm. Charlene took one of the yard sale coats to stay warm. Now the cost of

the jacket was \$2.00. We were trying to sell her for 2 but there were no takers but we all know she is worth a Million Buck's.

By noon Mike and Ralph start up the grill for hot dogs with chill and great sides. We ate and waived to all the GA fans going for Home Coming as we sat in the cold. The yard sale was to end at 2:00 pm but the chapter members thought we would stay a little bit longer.

EURKEA!!! Some of our best sales began to come. Ralph and Mike were are best sellers giving bargains when they could. A special Thank you to Mike and Linda Fields for opening their yard for the Sale. Also thank you to the following members for donations and helping, Ralph and Debbie Garland and Charlene, Gary, Nell, Cody and Jeanne and your truly. Now lets have a party.
