Due To Wing Ding being at the same time as our Chapter gathering we cancelled our September gathering and have combined our September and October newsletters. We truly hope you will enjoy.

September & October 2016

We have been traveling through many of the states in our great nation. We rode out west for the first time and saw many wonderful sights. We went to the Field of Dreams (yes the one in the movie) and saw the ghost players emerge from the corn field. We rode Bear tooth pass, went to Yellowstone, Cody Wyoming, and Ralph and I rode to the top of Pikes Peak. We did all of this on our journey to Wing Ding 2016 in Billings, Montana, that is where we met up with Sid and Donna.. We had a great time traveling across the country with Tommy and Vicky, but it was not without a few hiccups, like our first flat tire, then the spare was flat. We got them both repaired and low and behold a few days later the same tire just shredded apart. We did not let any of that ruin our trip we got everything corrected and rode on. We road through 102* weather as well as weather in the 40's not to mention the hail storm in Yellowstone and the drizzle at Old Faithful. We went to the Badlands, The Long Branch Saloon, a place called the Corn Palace and many other spectacular places. It was a trip of a lifetime for us. We traveled about 5000 miles and had a great time. We are already talking about our next trip, maybe up the east coast.

**Monthly Gathering - First Thursday of each Month at:
Ryan's Steak House 1021 Dowdy Rd., Athens, GA 30606
We join to eat at 6:00 PM and the meeting starts at 7:00PM.

When we got home we had a chapter ride to The Highlands in NC, I did not get to go because of battery failure on Ralph's bike. I stayed home but Ralph and Caleb went on. Ralph said that the barbeque place was the best ever. Then we were off to North Carolina again for Wings Over the Smokies for the weekend. We really enjoyed camping, we were close to the casino and the Blue-ridge Parkway. Campfires, curves, great food and great friends...it does not get any better.

We have started off the month of October with our first ride of the month. We had 7 bikes on our journey. We surprised our friends in Augusta and joined them for lunch and their meeting. The ride down to Augusta was great, cool fall weather and of course some curves. We had a fantastic ride with 11 of us participating.

Chapter T's next adventure will be on Saturday, October 15th at 5:00pm at my house. We will be having a bon fire and wiener roast. Please come and make plans to relax and have some fun.

I am loving this cool fall weather. It makes riding more enjoyable. Please as always check out our website and check your email for more ride and event information.

Fall Is Here Time To Ride.

The temperature is starting to cool the leaves will soon be turning. The fall riding season has begun. Time to get your cool weather gear out and ready to ride. October is supposed to be one of the driest months of the year, so we should get a lot of opportunities for adventures. If you haven't been riding lately due to this past hot summer, make sure your bike is ready to ride check fluids, tire wear and pressure. Next time you meet someone on a bike ask them to come join the fun of being a G.W.R.R.A. See you on the road.

Rider Education

We just arrived home from a long trip out west and we had a great time. We traveled in and out of 18 states in 17 days. Needless to say we encountered just about any type of riding conditions you could imagine. Whether it be traffic, terrain or weather conditions. We are thankful that we made it back home safe and sound.

Fortunately Vicky and I have taken many of the Rider Education classes and do our best to stay current and keep our skill fresh. We believe that our safety skills have saved us several times. One time on this particular trip was while riding through Yellow Stone National Park viewing the herds of buffalo's, all of a sudden from the sky came a hail storm lasting about three minutes, the hail was about dime to quarter size and covered the ground with more than an inch ice. Our training kicked in, there was constant communication between rider and co-rider, the Co-Rider and slow ride training paid off (Remember - head up, look Straight Ahead, increase RPMs, cover the Rear Brake, Stay Calm and we become one with the bike, good communication between Rider and Co- rider.) Staying sharp on your riding skills is very important. Practice together and be prepared. As my good friend Chuck Reed says **"Always expect the unexpected"**!

Steel Pony Round Up

Rollin' Rollin' Rollin' keep those cycles movin' though there disapproving lets ride!

Move'em out, head'em up, head'em up move'em on , move'em out, head'em up: Rawhide!!

It's time again for the Region A Rally and the theme is the Steel Pony Rally. So come one come all and let's take Chapter T and show the members we know how to have a good time. Join our mascot UGA and dress up in your western attire and do a team challenge. This is the last rally for the season and we really need to show our support. The rally is in Eufaula AL at the beautiful Lake Point Lodge Oct 27, 28, 29.

Tommy and I hope to see you there and come by and visit us in the hospitality room where we will be helping out the Georgia District.

Keep them cycles Rollin' Rawhide

Hello Chapter T

I have been very busy following our chapter director all over the United States. We really had a busy month in September with our ride out west to Wing Ding. We saw so much open land and huge ranches, cows and horses...it brought out the desire in me to be a cowboy, well at least in my mind and heart I think I could be a cowboy.

I just got home from our first October ride. We rode down to Clark Hill and then on to Augusta via back roads with a lot of curves. We had eleven folks riding today on seven motorcycles. We missed many of you on our first ride for October. Now that the weather is cooling off it is the perfect time to get out and ride. We need all of you to be out riding with us and joining in on all the fun we are having.

November 3 Chapter Meeting

November 5 Chapter Ride to Wind Down

November 6 Chapter Ride to the mountains to see the fall leaves

As you can see we have a month of rides and adventures, come on and ride with us. You will have a good time. Call me at home (706) 343-1923 or on my cell (770) 787-2848 if you have any suggestions for a Chapter Ride.

See you on the road,
Ralph

Chapter Fun!

Fun with GWRRA Well, the fun has been limited for Garland and I this summer due to health issues but hopefully we are back on track. We were able to lead a group of Chapter T riders to Highland, NC recently. The weather was great and we stopped at Highlands Smokehouse for some barbeque and to catch up with friends and their stories. We returned from the Highlands and quickly began packing our camper for Wings Over The Smokies in Cherokee, NC. We arrived Thursday morning and got our Bunkhouse all set up and ready for the weekend before the others arrived. Jeff & Connie from Chapter J, Ralph & Debbie, Tommy & Vicky and Sid and Donna joined us for the weekend. We stayed at Cherokee Campground which is a small campground near the casino and right on Soco creek. The weather was fantastic (no air conditioner needed) and the fellowship was even better. We cooked, ate a lot, rode the Blue Ridge Parkway and even found some time to visit Wings Over the Smokies for some vendor goodies. The only thing that could have made the weekend better was if more of you had joined us. Don't have a camper? We try and always stay at a campground with cabins so everyone can join in the fun. Next overnight stop for us is Eufaula, AI for Region A rally the last weekend in October.

Fall Riding

Did you feel that? Was that a cool breath of air? Wait, IT is October in North Georgia and it is finally cooling down a little. We have seen a steady increase of folks on rides, so knock the summer cobwebs of the Wing and let's go before it gets to "COLD" to ride. As we head into the cooler riding times, for a short while, we will need to dress in layers and as the ride and day progresses we can peel off the top layer of jackets and sweaters and enjoy the Fall rides.

The Ride Team have some nice rides planned, be sure to check out the website and/or the Ride Calendar in the back of the Newsletter.

Our Ride Educators are working on getting classes setup that will enhance our riding as we continue learning.

Remember GWRRA's motto: FRIENDS FOR FUN SAFETY and KNOWLEDGE

So, again, it is up to each individual one of us to take advantage of what the Chapter has to offer.

Garland
