BEEN LAID UP!

Well, I finally got to go "Outside" for a bit today. I don't know if you knew that I've been laid up for a while and was not allowed to go out and play. The Warden (Charleen) took pity on me and decided we could go in the car to visit some Florida friends that were vacationing in the Clarksville area - and no they do not ride. So, what is the point I'm trying to make?

I'm sure most of ya'll have been on the receiving end of one of my comments that either started with or ended with "well, I remember how we did it down in Florida" I want to thank each and every one of you sweet Georgia folks for not bopping me on the noggin.

Well, today as we were visiting with Allen and Brenda Hoops from Sanford, FL. (Our Vacationing Buddies, also Brenda was Charleen's Sunday School Teaching Pal) They wanted to know all about you folks and I told them there was only one word to describe y'all.

FAMILY Georgia Style

Yeah, Sid Cohen, I know that's three words.

I know we have all heard the comment about our GWRRA family, I know I have, and it just passed through one ear and out the other one. BUT my Georgia GWRRA Chapter T family has made sure they have kept in touch and kept us informed as to the goings on, as well as checking up on how I'm getting along.

So, again, thanks for being there for us - both, Charleen and me. We hope to someday some way to repay the kindness shown to us.

Membership Enhancement

Where has this year gone? Seems like a few months ago at the Chapter T holiday party we announced Gary and Debbie Lewis as the Couple of the Year for 2016. The couple of the Year is not a position or a job but rather an honor. The Chapter Couple of the Year program at the chapter level has an important purpose. It provides an opportunity for the chapter to recognize and honor a couple each year for their dedication, accomplishments and participation within the chapter. Our Chapter Director will be making a selection soon and the announcement will be made at the chapter holiday party in December.

Chapter T's FUN DAY

April is just around the corner and Chapter T fun day will be upon us. Chapter T has a great deal of folks with some great ideas for having fun. I am working on a few but, would really like your input. I need some ideas for the games and the chapter challenge. The theme is Hobo. Chapter T is making a Hobo stew for our event. Here's how you can help, look through your pantry and see what canned goods have been sitting for a while. Bring them to the gathering and donate them. We can use most anything except leaf vegetables. For chapter T members who come early on the event day to help set up, there will be a surprise breakfast.

A FEW WORDS FROM C.O.Y.

Hello everybody hope all of you are well. We had a Meet and Eat this past Tuesday at Dominick's in Watkinsville. Wow! what a meal, it was some of the best Italian food I have ever eaten. We had 17 members there and two family members there also. Everyone had a good time eating and talking.

We have a ride coming up on November 6th to see the leaves turn in the mountains. Make your plans to attend. Remember with fall here the mornings can be chilly and the days hot. So layer your clothes to avoid getting overheated later in the day.

Some of you may have celebrated Halloween. I always like to greet the children wearing a costume I wore when I was a character at a haunted house (see picture). It's funny I open the door and say "whose next for candy" but before I can get the words out "for candy" They suddenly disappear into the darkness. I guess they don't like the candy I give out. I hope you had a Happy Halloween.

Ride safe ride smart

RECIPES

PIZZA SAUCE

1 – 32 OUNCE CAN WHOLE OR DICED TOMATOES
6-8 GARLIC CLOVES
2 TEASPOONS BALSAMIC VINEGAR
SALT
PEPPER
OLIVE OIL

“DO NOT COOK SAUCE”

COMBINE TOMATOES, GARLIC, VINEGAR, ½ TSP. SALT, SOME BLACK PEPPER AND A DRIZZLE OF OLIVE OIL IN A BLENDER.

Hint: You can use tomatoes and juice or drain off the juice for a more concentrated sauce.

Puree sauce, taste and adjust as need with salt, pepper and olive oil.

GW FUN ACTIVITIES

Tommy and I missed all of you at the Steel Pony Rally this past weekend and boy did you miss a great time. There were so many Cowboys and Cowgirls there that the west was probably short of cow hands. Georgia District worked the hospitality room and it was well maintained by lots of Georgia folks. The Region A folks gave away a cruise for two as there grand prize and it went to a deserving first timer!! We have Wind Down coming up this weekend and I hope we will see some of you there. I have heard that they are serving the members taco salad and it's free! There will be a dessert walk at Wind Down and I am sure they will have some delicious desserts for the taking. So, make your plans to come with us to Wind Down.

Tommy and I both want to wish each of you a most Happy Thanksgiving and hope you all will be able to be with your families.

See you soon.
Vicky

Rider Education "Safety Is For Life!"

The Fall season has arrived and it is a great time for riding. The leaves are beautiful during the color change and makes for an awesome ride through the mountains. However, they can also become a serious hazard as the fall and cover the roadway. They can accumulate in the curves and low places where they hold moisture and become very slick. So please be very cautious when riding in these areas.

We have planned a Team Riding Seminar, Lunch and some time for self bike maintenance as well. This will take place at our house on November 12th. We would like to have a Crock Pot Soirée. Where we can experience everyone's finest crock pot dish and at the same time refine our Team Riding Skills and help each other with some light bike maintenance.
