Chapter Director

I certainly hope that all of you had a Happy Thanksgiving and got fully stuffed on turkey and dressing. We did at our house along with my daughter and her family. Of course Ralph had to be at work by 5PM so we ate our meal at lunch which worked out great.

Ralph left for work about 4 and Stephanie and her crew left a little later. I talked to Ralph later that evening and he said "What are we going to do for the weekend?" So if you know me guess where we went...yes you got it, we went to the beach.

We arrived in Hilton Head to temperatures in the 80's. We found a great seafood restaurant and yes we had fresh oysters (raw) on the half shell. Yuum they were delicious. We woke up at about 3am Sat. morning (Ralph was looking for the Tums) and it was raining!!! I just thought..go figure..beach time questionable. We found the Tums, went back to bed and got up again at a reasonable time 8am to a bright sun shining day. Beach here we come. We stayed on the beach all day temps in the 70's, sun shining bright...I was in heaven. Imagine lying on the beach at the end of November!!!

Hello Chapter T

Things have been real slow for riding, we didn't ride any in November, but we had a team riding class on 11/12/16 t Tommy and Vicky's. Thanksgiving holidays have come and gone and I truly hope you all had a great Thanksgiving celebration with your family and friends.

We will be riding December 3 in the Salvation Army Toy Ride. Please be at Cycle World before 10AM. Chapter T is doing the registration for this event. Please bring unwrapped toys for our special girls and boys. Value of \$10 and up will cover your registration fee. If you don't bring toys be prepared to pay \$10 registration fee.

Look's like December is also booked up with our Chapter Christmas party on December 17th. Christmas holiday celebrations and cold winter weather will keep riding to a minimum.

If anybody has any suggestions for ride destinations please let me know. I need suggestions for a good place to eat, that is about 1 to 2 hours from Athens for our New Years Day ride. We would like to go some place new, so please give us some suggestions.

If anyone wants to ride, any day of the week, please let me know and we will hit the road.

See you on the road,
Ralph
Ride Coordinator

HOLIDAYS ARE NOW IN FULL SWING

Well December is here and the holidays are now in full swing. We hope everyone had a fantastic Thanksgiving. We actually had two dinners. One at Noah's home with our oldest son and his extended in-law family on Thanksgiving day and the other one at our home for our family on Saturday after Thanksgiving. So far I have fried 4 turkeys this season with one more to do for the Chapter T holiday party December 17th at the Masonic lodge in Athens. I hope everyone is making plans to attend. Every year we have a great time. Lots of food, plenty of gifts for our dirty Santa, and of course the announcement of our Couple of the Year for 2017. If you haven't signed up to bring a covered dish please do so at our December gathering. Remember if you want to participate in the Dirty Santa game you must bring a gift in the \$20.00 range for either male or female. No gag gifts please. Also I'm still asking for can goods for the HOB0 stew we are preparing for Chapter T fun day in April. The more is donated the less we have to purchase, and it gives you an opportunity off load something from your pantry that is just sitting there.

Don't forget the annual Salivation Army toy drive Saturday December 3rd at Cycle World. Chapter T is responsible for registration and providing desserts for lunch at the end. To participate in the ride you need to donate a unwrapped toy of at least \$10.00 value, or make a \$10.00 donation. If we don't see you please have a Merry Christmas and a Joyful New Year.

Being with Family

I know we are all looking forward to the Holidays and being with our families, I know I am. That being said don't forget about our GW Family. We are still having our monthly meeting in December and we will be having our Chapter Christmas Party coming up on December 17th. We will be selecting our new chapter couple of the year and I am excited to see who gets this great honor! Remember to bring your swap gift so we can play the game and see who ends up with what and gets to keep it.

After the end of the year we will be starting a new year off with our first ride of the year to destination unknown yet for the New Years Day ride. There will be an Officers Conference coming up in January for all Chapter Officers so please make plans to go and you will get to eat at Buckner's first so that's an added bonus!

Tommy and I would like to wish each and everyone of you a very Merry Christmas and Happy New Year and we hope all your Holidays are filled with Joy and Laughter✳

Have a Wonderful Holiday!
Vicky

Rider Education "Safety Is For Life!"

We had a pretty good turnout on Saturday Nov. 12th at our house for the Crock pot Soirée and Training. We had all kinds of food; It started with the appetizers with Cream Cheese covered with Vicky's homemade Raspberry jelly and crackers on the side, also there was the Rotel Cheese dip and tortilla chips. We snacked before and during the Team Riding Seminar which went very well.

Then for the main course there was New Mexico Chili, Candied Yams "Sweet Taters", Chicken & Dumplings, Green Beans, Mac & Cheese, Home Made Rolls, Regular and Jalapeno Corn Bread. My Oh My what a meal!! Oh and we are not through yet, there were desserts too. A Home made Coconut Cake and Apple Cranberry Cobbler Yum Yum!! Some of us ate so much of the main course we had to wait until after the Co-Rider Seminar for dessert.

The Co-Rider Seminar has some very valuable information and it was well received by all. I was very pleased to see so much participation in the both class. We had some very good input from the participants and that makes for a fun and educational experience.

Thanks to all that participated and a special Thank You to the cooks that took time to prepare and bring a dish/s for this chapter function. Hope the members that were not able to join us can make it to our next Chapter Activity.
