Chapter Director

Wow, what can I say except thank you chapter T friends. We have started off 2017 with a bang and Chapter T has been on the go from day one. We started off with our New Years' Day ride to Thomas' Buffet in Covington, we also had a great crowd that went to visit Chapter J up in Hia-wassee and carrying it on to the next weekend 13 of us went to Jackson to "Chilly Willy" for lunch and conference at Buckner's, and oh what a great crowd (17 of us) enjoyed a fantastic meal at The Redd House.

We are all having a blast and are enjoying the fun and fellowship with each other. We have several activities planned for February, so come on and join the rest of your Chapter T friends, let's have some fun together. Check out our calendar of events and the Chapter T website at:

Hello Chapter T Friends

We have been riding a lot since the beginning of the new year. We had our New Year's Day lunch on the 1st, we visited our friends at Chapter J in Hiawassee, and went to Buckner's for Chilly Willy. We also visited chapter A for the plaque attack. Next month we plan on taking a ride to Rib Country for lunch, attending Chapter S' Fun Day and visiting our friends at chapter E-2 In Pooler, where we will spend quality time together on this overnight trip.

If any of you have a suggestion for a chapter ride please let me know and I will work it out.

Check out our calendar and make plans to ride with us. You will have a good time with all these crazy folks in chapter T, if you will get involved. What are you waiting for? Come on, let's get together and ride.

Rider Education

Hello Fellow Members,

We had our GA Chapter/ District Officers conference a couple of weeks ago and it went very well. I am here to tell you that Rider Ed is still alive and well. Our District Rider Educators Frank & Melinda Brothers are working hard with Instructors to help the members get the classes they need. We are very blessed to have them and these certified instructors to help us out. As I tell my guys at work you've got to want it.

If you need a Riding Course, Medic First Aid Course, Co-Rider Seminar to maintain your levels, please let me know and I will help you find a class. You do know that refreshing your Riding Skills and Knowledge is imperative to you and your Co-Riders Safety.

Ride Safely,
Tommy
Chapter T Rider Educator

Donna and I hope everyone had a Merry Christmas, Happy holiday and a Happy New Year. We are looking forward to 2017. Chapter T does have a lot being planned and hope many chapter members will be able to join us. We do have some upcoming rides that our Chapter Director will talk about. I want to remind everyone of our Fun Day coming in April. As you know our theme is Hobo. We are preparing a special Hobo Stew and still need some donations of canned goods to put in it. No leafy vegetables or meat items. Bring them to any ride, gathering or event you attend with the chapter. Chapter T is one of the few chapters that do not charge it's members to attend., but we do appreciate any donations of Door prizes, food items, labor or what ever you can do to help. The Chapter will soon start making chapter visits to promote our fun day. The more that attend the better the participation in April. So lets show our Chapter Pride and attend as much as possible.

We want to congratulate Garland and Charlene Dennis who were selected as Chapter T couple of the year for 2017. They both have done a fantastic job representing Chapter T. Lets also not forget the great job Gary and Debbie Lewis did as Chapter couple for 2016.
