This unusual warm weather has been perfect for riding motorcycles. It is not too cold and it is not too hot. If you have not been riding with us you have been missing out. Here is a recap of our February

Adventures: chapter meeting, ride to Rib Country, chapter S fun day, supper at Logan's and the overnight trip to Pooler. Are we having fun?? YES we are.

Please check out our calendar of events and make plans to join in on the fun.

If any of you are interested in going to one or several of the rallies that are coming up please talk to one of your team members and get the information and let them know you want to go. It is always interesting and you will get to meet other folks who love riding and having a good time.

We have our "Spring Fling" coming up on April 8th and I am counting on another great turn out from our chapter as well as many other chapters. FUN, FUN, FUN. Don't forget that Chapter T is dressing like hobos!!

Here is a word about our chapter camping trips: When we plan these camping trips we always make sure that there are cabins, yurts or hotels close by for anyone that does not have camping gear. We also welcome anyone to come in for the day if you can't stay overnight. It is just another way to have fun together. I love sitting by the campfire. So come go with us.

Did you know that Chapter T has a race car? If not, you need to ask me about it.

Hello Chapter T Friends

Well February has come and gone and our rides for the month are history. We rode to Blairsville to Rib Country for lunch and we just got back from our overnight trip to Pooler where we visited our friends at GA E-2.

It looks like March is going to have more good weather and that means we can ride.

On March 10 – 12 we are having a chapter get together in Crawfordville at AH Stephens State Park to spend some quality time with each other. Some of us will be camping and some will be staying in the cottages there. It is close enough that you can come spend the day if you would like.

On Saturday, March 18th we are riding to Montezuma and will be eating lunch at Yoder's Restaurant. Yoder's is an Amish restaurant and they do accept debit / credit cards / cash.

Stands up at the Race Trac at 9:00AM. I hope you will join me.

I will ask again, If any one of you wants to go somewhere let me know and we will plan a ride there. Let's Hit the Road

Rider Education

Hello Fellow Members,

Why would you take time out of your day, week, or life to attend a Safe Riding Seminar or Riding Course? Well I don't know about you, but I think it is very worth while to attend these courses to help us keep our safe riding skills sharp. Both as Riders and Co-Riders it is our responsibility to be on our best game when we straddle our motorcycle. We owe it to our Family Members, Co-Riders and Fellow Riders to stay sharp in our riding skills.

If you would like to attend a Riding Course, Medic First Aid Course, Co-Rider Seminar to maintain your levels, please let me know and I will help you find a class. You do know that refreshing your Riding Skills and Knowledge is imperative to you and your Co-Riders Safety.

Ride Safely,

Why did you join GWRRA?

This first paragraph of my article does not pertain to Chapter T members who join us each month for our gathering it does pertain to GWRRA members we never see. Why did you join GWRRA? Are you getting everything you want as a member of GWRRA? Do you enjoy just riding your motorcycle? Have you every ridden in a group? Have you ever attended a chapter fun day? Have you committed to ride safely? Have you ever taken a rider course other than the one you took to get your initial motorcycle endorsement? Have you ever attended a GWRRA Chapter meeting (gathering), or when was the last time you attended one? If it's been awhile I ask you to attend a future gathering. Chapter T meets at the at the Hibachi grill in the College Station Shopping center, Address is 2020 Barnett Shoals Rd. Athens. It's a fun group and it's all about camaraderie and food or food and camaraderie. Most folks generally have a dinner night out, why don't you visit Chapter T and enjoy dinner with us. I'm sure you will like it.

Also Chapter Members remember our funday a is approaching fast we still need donations of some vegetable can goods to prepare the HOB0 Stew.

Oh well let me say if you didn't get to go to Pooler to visit Chapter E2 you missed a great time! There were 12 people that rode with us to Pooler and we had a wonderful ride down and back. Ralph led us all on a terrific back roads ride to Pooler with plenty of sites to see. We all stay at the hotel close to the Western Sizzler where Chapter E meets and I can say we all came away with some door prizes. After the meeting we rode over to Richmond Hills and ate at the Fish Tales restaurant and I think everyone enjoyed there food. Our group left on Sunday morning bright and early and there was a chill in the air. So with heated gear plugged up we headed home for another great day for riding. I truly wish each and everyone of you could have went on this overnight trip it was fantastic and I can't wait until the next one!!

Remember to participate is to have fun and enjoy everyone's company
Hope to see you on the next ride!

Our Thoughts

Charleen and I have visited several Chapters as your Couple of the Year and want to share some of our thoughts and observations.

Do you know the significance of the Couple of the Year program in GWRRA?

We were surprised at the number of people that shied away from being named as their Chapter's COY Couple. Some seemed to feel it was a "JOB". That they would have to do certain things and that things - like visiting other Chapters was required. But you know what? Nothing is required at the Chapter Level - That's right you heard me and yes you read it right here - NOTHING IS REQUIRED!!

Now, so what does it mean to be named the Couple of the Year? It means you and your spouse have been honored by your Chapter. There are folks in the Chapter that feel you guys have made a contribution to the Chapter life and want to honor you. What's the benefit for you?

Well, most other Chapters honor you at their Fun Days and you may not have to PAY to attend!

At all of the GWRRA Rally's - District, Region and Wing Ding there are special Events planned just for the Couples of the Year.

But to us, Charleen and Garland Dennis, the biggest honor of all is that our CHAPTER thought enough of us to name us Chapter T's 2017 Couple of the Year.

Thank you,

Garland & Charleen Dennis
