Chapter Director

Chapter T keeps on riding, we have been camping, going to rallies, riding to capture the plaque, eating, laughing and having fun and that was all in March. Are you having any fun?

Ralph and I will be hit and miss for the next month due to Ralph's upcoming surgeries, but we have some things planned and are planning more ways for you all to keep on riding and having a good time.

Our "HOBO THEMED" Fun Day is coming up this Saturday; we need all hands on deck so this will be a success for our chapter. Chapter T Members, Please be at Blacks Creek Baptist Church at 8:30AM to help us get everything set up. We need desserts, please have them wrapped or bagged in individual servings and also homemade cakes for our cake walk.

We are looking forward to a great summer of riding with Chapter T, hoping you all will join us.

PARTICIPATION IS THE KEY TO HAVE FUN WITH CHAPTER T

Let's Hit the Road

Hello Chapter T Friends

I want to start out by letting you all know that I'm going to have 2 different surgeries this month. I will be out of commission for a little while and after last month's meeting I also mentioned about me working on weekends and Garland said he would help me out by planning and leading some rides for the chapter.

This month we will be having our Fun Day on the 8th. No rides will be planned for the next weekend because it is Easter. The next weekend we plan on going to the Tennessee Rally in Pigeon Forge. We will be leaving for Pigeon Forge on Thursday, April 20th and will return home Sunday, April 23rd. If anyone wants to go up when I do, please let me know. The next weekend we will have a ride on Saturday the 29th and again the next weekend on Sunday May 7th. Destinations will be announced later. I hope some of you will make some suggestions for rides for the chapter.

Hobo

The definition for the word "hobo" is simple but defined, A person who wanders from place to place, typically by riding on freight trains, and who may occasionally work but more often cadres sustenance. The hobo is sometimes distinguished from bums and trams by the fact that he works!

Now all that being said our Fun Day is rapidly approaching and we all need to come together and work to make this a great success We the members of Chapter T are some of the most dedicated and helpful people I know. I personally can't wait to see everyone at our event and have a great time and maybe win a prize. I hope everyone dresses in their hobo attire and comes out on April 8th to have fun with Chapter T

Ladies and gents if you signed up to bring desserts for the fun day or anything else we are looking forward to seeing you and your goodies. Chapter T folks are asked to be there at 8:30 if possible to help get everything set up for all our guests. We are hoping for about 100 people to come so let's all get ready for a party!!

See you wandering down the tracks on Hobo lane
Vicky

Rider Education

Hello Fellow Members,

Wow, the weather is perfect for riding and that is what we have been doing. Vicky and I rode to Florida and enjoyed visiting with everyone there. We ventured out and was able to see some new territory thanks to Garland and Charleen. They also showed us some great roads on the way home as well. We rode to chapter A's to capture the plaque and the weather was great and we had a great group on the ride.

There are many Training Opportunities out there and we should never get relaxed in our riding knowledge and skills.

Chapter B-2 is hosting the class –Dealing with Different Elements on May 10th, 2017.

Instructor : Murry Cail,

Loation; Paulding Chamber of Commerce Building, 455 Jimmy Campbell Highway, Dallas, GA

FOR SALE

1993 Kwik Kamp Motorcycle Camper Trailer

\$1000.00

1993 Kwik Kamp Motorcycle Camper Trailer for Sale. I have pulled it all over the country with my 1999 GL1500. The trailer pulls very well. My wife and I sleep in it very comfortably. The changing area is roomy and gives you plenty of room to stand up and change. The storage areas can be accessed with the unit closed or open. It has plenty of storage inside so all your camping gear stays dry.

My favorite thing about the camper is that it keeps you from sleeping on the ground. It has a foam mattress inside about 4 inches thick that works great and it stays in the camper when you fold it up for travel.

Another thing I like about this camping trailer is that it sets up in a matter of a few minutes!

The Kwik Kamp has screen doors and windows that have zipper covers on the inside so you can close it up and block all of the outside light. There is a 4" zippered door on the tongue side of the bed making it easy to access the cooler from inside the camper. (Cooler not included)
