Ralph and I recently returned from the 2017 Georgia Rally in Dalton. We really had a great weekend despite the weather. Ralph and Tommy insisted on taking their motorcycles, just in case the weather would clear up enough to take a ride over the weekend and Vicky and I went in my Explorer. Yes we did not want to be soaking wet all weekend. As luck would have it one day the weather cleared up and we went for a ride. It could not have been any better. The temperature was perfect and it made for a fantastic riding day on some nice curvy roads. I guess the guys were right!! Well at least for one day. It rained the rest of the weekend. I will say the rain held off Saturday evening long enough for us to get home and for the guys to ride dry.

Next year the Georgia Rally is going to see some changes in dates and in the venue. The 2018 Georgia Wing Fling will be held in Toccoa, Georgia at the Georgia Baptist Convention. The rally date is set for August 2, 3, & 4, 2018. They are also offering some package deals that sound great. One deal will include your room, seven meals and full registration. Everything is in one place to make it more convenient for the members. The theme for the rally is honoring all military branches of service to our great USA.

Hello Chapter T Friends

June has not been a good month for riding. We had a ride planned on the 10th that Garland was going to lead while Debbie and I were on vacation and he had to cancel for a funeral of one of his coworkers. Then the ride we had for the 17th we had to cancel for another funeral for Jim Allen, our GWRRA friend. The next week was Wing Fling in Dalton, although we had several Chapter T Members there, only two took their motorcycles because of all the rain. I sure hope July will be better so we can ride. We have a ride planned on July 8th, stands up 9:00 am at the RaceTrac. We will be going to Diener's Kitchen, 305 Bypass 123, Seneca, SC.

We also have a ride planned on the July 22nd, meet at Mama Jewels Kitchen, 1075 Baxter St, Athens GA. We will eat breakfast there and ride after.

Please check out our schedule of events and makes plans to join in on the fun.

Rider Education

There are many things that help us to ride safe, but the one thing I want to talk about this month is reading the road ahead and being aware of the things around us. When I think of reading the road ahead, to me it means scanning several hundred feet ahead for hazards and vehicle activity. By doing this hopefully you can be ready for what the vehicles in front of you might do. Recognizing hazards such as an animal or person entering into the roadway, debris, pot holes, etc. in the roadway well in advance helps to prepare for an escape route.

How many have heard of the acronym -SIPDE and do you know what it stands for? We will talk about this at the July Gathering.

A little Humor

As I get Older I realize:

1. The biggest lie I tell myself is, "I don't need to write that down, I'll remember it."
2. When I was a child I thought naptime was punishment, Now it's like a -vacation.
3. Even duct tape can't fix stupid, but it can muffle the sound.
4. "Getting Lucky" means walking into a room and remembering why I'm there.

I want to say a big thank you to Ralph and Donna Cohen for all the hard work on the Chapter T Pinewood Derby Car and display.

We did not win but our display was awesome and our car ran a great race.

I also want to thank Vicki for making our Couple of the Year Basket. It looked great and everyone was loading it down with tickets trying to win it.

Also I want to thank Sylvia, Charleen and Vicky for making their Kentucky Derby Hats. You ladies looked great.
