Ralph and I have not got to ride very much lately, first of all Ralph had a total knee replacement on May 14<sup>th</sup>, he is still recovering and going to physical therapy three times a week. On Friday, June 8<sup>th</sup> I had surgery and am still recuperating. We are hoping to be back on the road in a few weeks.

We did get to go to the South Carolina Rally and had an awesome time in Newberry. I know that some of you got to attend the rally in Mobile and that fun was had by all.

We did have our chapter meet and eat on June 5<sup>th</sup> at The Blind Pig in Athens, we had 8 members present and we all enjoyed a fantastic meal and great fellowship with each other.

Psssst, have you heard? We have our dates and venue for the 2019 Chapter T Spring Fling.

We will be having another great weekend with all of our GWRRAA friends. Our event will be May 17 -18, 2019 at The River Vista RV Resort in Dillard. PLEASE go ahead and get your campsite/cabin/hotel room booked. They are going fast so don't get left out. See Tommy for further information.

Hello Chapter T Friends

It seems to me that Debbie and I have been on sick leave. I'm not aware of anybody that has been on a bike except for Jim and Sylvia Stogden, and good grief they have ridden enough for all of us. They have been traveling around on their bikes for several weeks now and they seem to be having a blast.

I have a ride on the calendar for June 23<sup>rd</sup> to Cheeseburger Bobby's. I hope we ALL will be ready to ride by then.

I know that just about our entire chapter has been out of town or either sick. Hopefully we all are on track to get well and will work together to plan some rides. We will talk about it Thursday at the meeting. I hope to see everybody there

## Chapter T 2018 Couple of The Year – in travel

....Anita Strenstra, GWRRA Magazine  
Editor in Chief at the GWRRA  
Home Office in Phoenix, AZ

Chapter T friends, again you will not see us in a meeting or rides as we are still on our "Bucket List Road Trip".

We started out on April 21 & have thus far been through 10 states, and have logged in excess of 3800 miles. Went thru Alabama, where we stayed an extra day due to heavy rains, stayed overnight in Mississippi and Louisiana; then to Texas where we went to Waco to see Chip and Joanna Gaines, as well as toured the Texas Ranger Museum; Huntsville to visit Jim's shipmate and while there we toured the President George W. Bush Library and Museum; on to San Antonio where we attended Cornerstone Baptist Church and all first time guests were invited to a reception after services & greeted by John Hagee – AWESOME!!! That same day we toured The Alamo and did the Riverboat tour and walk. Next day we bypassed spending the night in Pecos, TX due to the high price of hotel rooms because NMEX Resources is currently developing a new oil refinery in this small town. It was a stressful ride due to rough roads (due in part to trucks bringing in heavy equipment and pipelines); also we battled hot cross winds. We stopped in Carlsbad Caverns, NM; we rode into Roswell and spent a few days where we met some GWRRA members as well as contacted a local Chapter member whom we had met in our previous Route 66 road trip. We visited the Roswell Space Museum where we caught up with the Aliens crash landing back in 1947. We rode thru the mountains of the Mescalero Apache Reservation (Sylvia's family origin); then to Alamogordo (Jim's home town) and visited with family. We then rode to Albuquerque for a couple of days. While there we rode to Santa Fe, toured the oldest house, toured the Loretto Chapel; lunched on more "food of our people" then we decided to ride to Madrid, NM, a mining town dating from the early 1800's and sits midway along the Turquoise Trail. Madrid is also known for the movie "Wild Hogs" – Yes, we did get our Wild Hogs tee shirt.

Then we went to Gallup, Shiprock and onto the Four Corners Monument, where we stood on the monument of the four states of AZ, CO, NM and UT at the same time.

**Continued next pg.**

Continued from pg 3

...at the end of Route 66, Santa Monica, CA

From there we road through Colorado and Utah spending a couple of days touring Monticello and Moab, enjoying the beautiful scenery. The rock formations are awesome. From there we went to Arizona, stopping in Sedona and Camp Verde, again riding and touring. In Phoenix we had a fun visit to the GWRRA Headquarters where we again met the staff and enjoyed a visit with Anita Strenstra, GWRRA Editor in Chief of the GWRRA Magazine. Anita took pictures and said she would post to the social media of GWRRA Facebook.

We have spent time on the "Mother Road" (Route 66), as we rode into Kingman, AZ on our way to Nevada stopping and touring The Hoover Dam (another awesome sight). Then through the Mohave Desert and Barstow, CA. We are now in Los Angeles, CA visiting with family and have made a day trip to the Santa Monica Piers where we received our Certificate of Completion of Route 66.

We have met with many bikers and non-bikers and have shared about GWRRA, as well as CMA. People just cannot believe we are traveling on trikes all the way from Georgia, and Jim always ends up telling them, "Well yeah, haven't you seen "Wild Hogs" !!

Blessings to You & Yours  
Jim & Sylvia

Vicky and I attended the Alabama District Rally on May 16-18th at Mobil, AL. We had a great time the facility was very nice and it was great seeing so many of our GW friends. There theme was Rock'n the Bay and as usual the talent show was outstanding and we even got to participate. Yes Elvis was in the house. We ventured out to a place called Island Wing Company for lunch one day and tried the Fish Taco's. Wow they were awesome! I had never had fish taco's before they just didn't sound good to me. But these were called Maui Wowwie Mahi and they sounded pretty good and they were awesome. We highly recommend this place it we very clean and the food and service was very good.

Next year the Alabama Rally will be in Eufaula at the Lake Point Lodge June 20-23 2019. and it was also announced by District Directors Frank and Linda that the 2019 Alabama District Rally will serve as a **Region A Reunion Event!**

Vicky and I hope to see you at the next Chapter T Activity,  
Tommy

## Tybee Island Cheesecake Salad:

## Ingredients:

1 (8-ounce) package cream cheese  
1 (3.4-ounce) package instant cheesecake pudding, unprepared  
1 cup French Vanilla Creamer (liquid)  
1 pound strawberries, hulled and sliced  
4 mandarin oranges, peeled and sectioned  
1 (20-ounce) can pineapple tidbits, drained  
3 kiwi, peeled and cut into half moons  
2 mangoes, cut into bite size chunks  
1 banana, cut into coins  
juice of 1/2 lemon

## Directions:

1. In a medium tall bowl (I use my 8 cup measuring cup), using an electric mixer, whip cream cheese until it becomes smooth. It may bind up in the beaters, but continue as is and it will loosen up.
2. Add the dry pudding mix. Beat until well combined.
3. With the mixer on low, slowly add the creamer to the cream cheese mix. Add it about a tablespoon at a time and then mix until it becomes a smooth mixture and all of the creamer has combined into the cream cheese, repeat until all of the creamer has been added to the mixture. Whip until smooth.
4. In a large bowl, combine strawberries, oranges, pineapple, kiwi and mango.
5. Add the cheesecake mixture to the fruit. Gently fold cheesecake mixture into fruit.
6. In a small bowl combine the banana coins and the lemon juice. Toss until well coated, drain the excess lemon juice. Gently fold the banana into the cheesecake salad.
7. Chill until ready to serve or serve immediately.

## Notes:

Do not pour all of the creamer into the cream cheese at once. It will get clumpy and no matter how long you beat it, it will stay that way. Trust me on this one.

If you have to substitute cream for the creamer, powdered sugar and vanilla would be the best swap. 1 cup heavy cream, 1/4 cup powdered sugar and 2 teaspoons vanilla extract.

To make this ahead: prepare the cheesecake mixture and refrigerate in a bowl. Mix all of the fruit in a large bowl and refrigerate. Before serving, drain any excess liquid from the fruit and then fold the cheesecake filling into the fruit. Serve and enjoy!
