Georgia District COY 2018-2019

19 September – 22 September we had a wonderful fun filled weekend at the 2019 Georgia District Ride-In, at River Vista in Dillard, GA. We look forward to another fun weekend in 2020 at the same location. Let us take this time to congratulate and wish the very best of year to Bob and Karla Greer as the newly selected 2019-2020 Georgia District Couple of Year. The Friday evening Chili Cook Off had a variety of chili recipes. Left over chili was used as one of the toppings for the hot dog supper Saturday evening. Though we didn't participate in the rides, we know they were great mountain rides just from comments of both in-state and out-of state riders. Sunday morning before many of us left for home, we had a morning praise and worship devotional led by Jim.

We have found ourselves busy with catching up with home, medical and vehicle issues (with the van being possessed, i.e., lights coming on and off – doors opening on their own -- Jim threatened to "lay hands" on it.) I talked him out of shooting it, but instead get a new vehicle. Also, one trike is headed to the shop to get worked on – the other trike is waiting to get "getting in the wind". Weather has been wonderful for it and we are hoping to do so soon. And....life goes on.

Though this article is short, our commitment to GWRRA and Chapter T is **NOT !**

We look forward to riding and visiting other chapters and fulfilling the rest of our bucket list items by riding in all the counties in Georgia just like Ralph and Debbie Stewart and working on next years itinerary on the possibility of doing the Trail of Tears Ride from North Carolina to Oklahoma. Jim says "we might as well keep on going to New Mexico, Arizona and California – YAAAHOOOO!!!! (Sylvia's Victory Yell)

We hope to see y'all at our regular meeting at Loco's Thursday 10 October. We eat at 6:00p and meet at 7:00 and....there is always fun and games.

May God Bless You & Yours
Jim & Sylvia

Last month I started our news letter article making a statement about having to figure out each month what I need to write about. No problem this month. I was reading this months Wing World magazine . There is an article call "Promoting our Benefits". The more I read the more I thought of us (GWRRA). So my article this month is, if you haven't read your October issue of Wing World, please at least read the article that starts on page 40 and goes through page 45. Don't worry about a lot of reading there are a lot of pictures along the way. Happy reading.

Chuckles.....

A women was driving down the highway at 75 miles per hour, when she noticed a motorcycle policeman following her. Instead of slowing down, she picked up speed. When she looked back again she noticed there were two motorcycle policeman following her. She shot up to 90 miles per hour. The next time she looked back she there were three cops following her.

Suddenly she spotted at a service station up ahead. She screeched to a stop and ran into the ladies room. Ten minutes later she innocently walked out. The three cops were standing there waiting for her. Without batting an eye she coyly said "I'll bet none of you thought I would make it"

Another chuckle...

A divorce court judge says to the husband, "Mr. Garrily, I have reviewed your case thoroughly, and have decided to give your wife \$800.00 a month." "That's very fair your honor," he replied. "And every now and then, I'll try to send her a few bucks.
